NOTES FOR APPLICANTS / PARENTS / GUARDIANS - PLEASE READ AND RETAIN THIS PAGE

Rotary is one of the largest worldwide service organisations with more than 31,000 clubs in 167 countries. One of the goals of Rotary is to help young people develop their self-confidence and their leadership skills.

INTERACT helps young people to form their own values and moral standards and assists them to broaden their horizons culturally, socially and academically through a weekend Camp program that provides a positive, stimulating and fun environment. The program includes games, workshops, discussions, sports, challenges and creative arts with a few added surprises. It provides opportunities to exchange ideas and to learn from others and a chance to make many new friends. The cost of this great weekend is paid for 50% by student and 50% by your local Rotary Club.

- The Camp is coordinated by a group of responsible adults and experienced youth leaders and is held in dormitory style accommodation. Leaders hold current Blue Cards.
- The camp is a little remote so all personal items needed for the weekend should be packed – there are no shops available locally. We provide loads of good tasty quality food and the cook caters for any special dietary requirements.
- To avoid security risks, wallets and purses should be left at home. A suggested packing list will be provided with a confirming letter prior to the Camp to successful applicants.
- Except during organised discussion groups, female quarters are out of bounds to all males and vice-versa.
- **Alcohol, cigarettes and drugs are not permitted on site or during the period covered by the Camp.**
- To ensure the maximum benefit from the Camp for the whole Interact group, you are required to commit to the whole period of the Camp and attend all meals and activity sessions and may not leave the Camp without the consent and knowledge of the Camp Director.
- "Outside" personal friends of attendees, not enrolled in the Interact Camp, are not permitted at the Camp.
- Confirmation and further details will be mailed to the successful applicants after lodgment of completed application through your local Rotary Club and approval by the District Committee. Due to the need to support clubs from as many locations as possible and the limitations on the numbers the accommodation can hold, not all applicants submitted may be accepted for this particular Camp.
